VIEW POINT

Whilst the result of our last home match against Millwall was disappointing, losing 1-0, we nevertheless tried very hard, as a team, without converting any of the chances we got. Millwall's own goal, on the other hand, was the result of the finishing I've seen this season.

We could not be faulted for our efforts over the whole 90 minutes, and the boys were really down when they came off after the game.

It is in matches like these that we **MUST** take any scoring chance offered to us and they are usually few and far between against sides who play it hard. I have already commented on this in an earlier programme, but it is so important that we learn quickly this season when we have so much ability in our side.

Our trip to Bournemouth last Saturday made up for our Millwall disappointment with the lads rising to the challenge, once again, and coming away with a 3-1 win in our favour. We took our goals well and I felt we were never seriously troubled by our opponents.

Throughout the season we will have our ups and downs but, come the end of the season, hopefully, we will be in a challenging promotion position in the League. This is the declared aim of this old Club of ours - help us to achieve it.

Hope you enjoy today's match, I shall be listening for your support on terraces, in anticipation of which - many thanks.

SCENE THREE

This afternoon's opponents Bolton hit the headlines when they thrashed Plymouth Argyle 7-2 last Saturday - the highest Third Division score so far. Tony Caldwell scored a hat-trick and, with Jeff Chandler and George Oghani also on the mark, the trio have already accumulated fifteen goals between them this season.

It was Bolton's first League win but Lincoln and Newport were out of luck again and, along with Plymouth, remain the only teams in the Third yet to get off the mark.

Lincoln full-back Neil Redfern achieved some success, however, when he became the first player to score a goal against Bristol Rovers in six League games this season.

The Eastville club and York City are the only sides still unbeaten and continue to make the early running along with Gillingham and Millwall, who have jumped up the table after winning four of their last five games.

York have certainly made the transition from Division Four to Division Three smoothly winning six and drawing two of their eight League and Cup games so far.

Manager Dennis Smith has been in the fortunate injury free position of being able to field exactly the same side for all eight matches and York had another stroke of luck last Saturday when their 3-2 home win over Cambridge included two own goals by United defender Steve Fallon.

Although Derby striker Kevin Wilson has made his mark with nine goals in six games the Rams have not yet shown signs of becoming the all powerful force the bookmakers felt they might be when they made them strong favourites to lift the title before the start of the season.

There has been a huge influx of new players at the Baseball ground and they will clearly need time to settle down - although there could be more changes on the way.

Goalkeeper John Burridge is moving there from Wolves and Derby boss Arthur Cox is also on the lookout for another striker. Last season's top scorer Bob Davison is reported to be interesting Huddersfield so there may be departures as well as arrivals at the Baseball Ground.

Derby's home gates are likely to be the envy of all Third Division clubs this season. They have attracted five-figure attendances at all three home League matches so far with the 11,755 crowd against Burnley a fortnight ago the highest in Division Three this season.

There has also been a welcome spin-off for the teams Derby have visited so far taking over 2,000 supporters with them on their travels. It swelled the gate at Bournemouth to 7,794 - almost twice last season's average - at Preston to 5,425 - double their previous gate - and 5,423 at Reading which is the Elm Park club's highest by more than 1,600 so far.

THE GREAT MATCHES

by PAUL GILLIGAN

Doncaster Rovers 3 Exeter City 1

In this writers' humble opinion, Alick Jeffrey was probably the most gifted footballer ever to don a shirt for Doncaster Rovers. Despite a series of terrible injuries and misfortune, the burly forward scored many goals which will live in the memory for ever, and if any match could serve as a tribute to his talents, then the fixture with Exeter played on September 8th, 1968 must surely be a firm choice for many fans.

Jeffrey made his first team debut for Doncaster against Fulham in September 1954, aged just fifteen. During that season, he made a total of twenty-six appearances in League and Cup, scoring nine goals, the following year, he won his first representative honours when gaining three caps for the England amateur team as they played in a pre-qualifying group for the Olympic Games of 1956.

The first tragic accident in his career occurred in October 1956, when he suffered a double fracture of the leg, whilst playing for England Under 23 team against France at Ashton Gate, Bristol. It was a terrible blow for both player and club, particularly as Jeffrey had already scored fifteen goals in the first thirteen games of the season. Despite every medical assistance over the next three years, the youngster was told his brief career was over, and the insurance company paid out a total of £19,000 to be paid between club and player. Alick Jeffrey then emigrated to Australia and the story seemed over, but there was more to come, much more.

Jeffrey began to kick a ball about and slowly, the old skills began to sharpen and the pace was suddenly beginning to increase. He decided to give English football another try. Following splendid work from the Rovers Chairman at the time, Mr J.S. Garnham, Jeffrey was given FA clearance to play, and began his second spell with the club in December 1963. The next season, he really hit the headlines by becoming the Football League's top scorer with 36 goals. But fate had yet another sickening blow in store, when in September of 1966, Jeffrey was badly injured in a car crash which claimed the life of his driver and popular Rovers skipper, John Nicholson.

Still the Jeffrey spirit held strong, and the featured game today came in Jeffrey's last few months with Doncaster, before his transfer to Lincoln in January, 1969.

DONCASTER ROVERS:

GAVAN, WILCOCKSON, CLISH, GRAY, ROBERTSON, FLOWERS, RABJOHN, JEFFREY, GILFILLAN, JOHNSON, USHER.

EXETER CITY:

SHEARING, SMYTHE, BALTON, CURTIS, HARVEY, NEWMAN, CORR, BLAIN, BULLOCK, MITTEN, PLEAT.

Exeter had made the long trip up from Devon, with a proud unbeaten record stretching back fifteen matches, and despite being under tremendous early pressure, their defence held firm. Usher and Gilfillan missed easy chances as the Rovers stormed forward, and it came as a tremendous shock when Exeter took the lead after thirty-one minutes. John Flowers tried to find his goalkeeper with an unneeded pass-back, but left the ball far short of Gavan. Blain intercepted and beat the on-coming keeper with a delightful chipped ball over Gavans' head.

This set-back appeared to unsettle the Rovers, and for the remainder of the half they were forced to defend their goal as Exeter pressed forward, but the interval arrived with no further score.

Incredibly, within seven minutes of the restart, the Rovers had taken the lead. In 48 minutes, a free kick on the edge of the penalty area was teed up for Jeffrey, who fired the ball home with the aid of a deflection from the defensive wall. Four minutes later, Usher played the ball to Jeffrey, who thumped it in from twenty-five yards. From now on, the Rovers were rampant, and Jeffrey completed his hat-trick in the 72nd minute, scoring from close range following a goalmouth melee. — Attendance: 8,590.

TODAY'S MASCOTS

Welcome to Darren King this afternoon's Mascot. Darren of 32, Rufford Road, Belle Vue is 13 years old and attends Hall Cross Comprehensive School. Darren lists among his interests pool, and all other sports and especially supporting the Rovers. We all hope Darren enjoys this afternoon as the Rovers Mascot.

JUNIOR ROVERS

It was nice to see Joint President Colin Douglas get his name on the score sheet in the Lincoln game, his first league goal of the season and hopefully, the first of many. It's also nice to welcome Billy Russell back to the first team following his knee injury.

Congratulations to the team on their splendid win at Bournemouth, this making up for the home defeat by Millwall. Congratulations also to our latest signing, Aidan Butterworth, on scoring his first goal for the Rovers.

At half time, the Junior Rovers squad which won the 'Millers United' six-a-side competition at Rotherham, will be doing a lap of honour. The squad members were Steven Bisby, Paul Burton, Darryl Barker, Mark Day, Andrew Featherstone, Lee Garrity, Neil Gott and Mark Illman. Give them a cheer as they go by.

The next Junior Rovers meeting takes place tomorrow, Sunday, 30th September. At this meeting members will be able to take part in pool, darts and a quiz. The members will be divided into teams on arrival and all points scored will be added to their current totals. So be sure to come along to the Social Club at 3 p.m. and help your team come out on top.

Today is the last day on which you can put your name down for the Liverpool/Everton trip. Names will be taken after the match in the caravan behind the Family Stand, and a draw will be made at tomorrow's meeting to decide who will be going.

Don't forget the FREE Member's Draw. Call at the caravan after the game and see if you are the lucky one.

Finally don't forget to call at the caravan for information on forthcoming events. You will also be able to purchase Rovers souvenirs.

Mascots for the Millwall match, Mark and Neil Tiltman line up before the kick-off.

Welcome back to the Canon League.

REVIEW

PREVIEW

by ALAN SMITH

Two wins out of the last three games has kept Rovers in touch with the overall leaders of the Third Division despite the set-back of a home defeat at the hands of Millwall, Rovers general play has been pleasing to watch.

The Lincoln game saw Rovers coming from behind racing into a 3-1 lead, only to allow the Imps back into the game in the dying minutes. A mistake by Glenn Humphries allowed Lincoln to take the lead through George Shipley but within ten minutes Glyn Snodin had fired home an equaliser. A minute into the second half and Rovers took the lead when Dave Harle took advantage of a wayward back-pass by Shipley, rounded keeper David Felgate and shot into the empty net. Sixteen minutes from time Colin Douglas headed Rovers' third goal, after his first effort had come back out off the woodwork. However, in a quick Lincoln break, Gordon Hobson nodded home a low cross to make the score 3-2. Thankfully Rovers prevented City from levelling the scores and the three points took Rovers temporarily to the top of the table.

The Millwall game was an entirely different kettle of fish. Once again the visitors struck first, when Lions' striker Dean Neal shot home in the 21st minute, but Millwall's tactics left a lot to be desired. The game, including six for the visitors - went part of the way towards giving some indication of the night's proceedings, but Millwall's 'stop them at all costs' policy completely spoiled what had the makings of a good game. Indeed some referees I have seen might well have dismissed some of the visitors who were, in my opinion, a shade fortunate to finish the night with a full team on the park. I had the feeling that had Rovers drawn level the floodgates would have opened and the points would have stayed at Belle Vue. In the end though it was not to be, and Millwall went home with three points from the 1-0 scoreline.

For the Bournemouth game Rovers travelled South on the Friday and had to leave Steve Lister at home, Steve going down with flu. Back in the side was Billy Russell fully recovered after his recent injury.

Rovers had the best possible of starts when Glyn Snodin scored in the 11th minute after a superb cross-field pass from brother Ian. Rovers continued to control the pace of the game but it was not until the 60th minute that they stretched their lead - again Glyn Snodin was the scorer and the final through ball on this occasion came from Dave Harle. Within two minutes Bournemouth had pulled a goal back through Ian Thompson and almost straight away only a brave save by Dennis Peacock prevented Billy Rafferty from equalising. Gradually Rovers regained their composure and then made the issue safe just fourteen minutes from time when Aidan Butterworth scored his first goal for the senior side after another defensive-splitting pass from Ian Snodin. The final score of 3-1 was fully justified on balance of play.

This afternoon's game against Bolton Wanderers is ironically Rovers first Saturday home game of the season. Prior to last Saturday Bolton hadn't exactly set the Third Division alight, but then almost right out of the blue Wanderers hit top form to beat Plymouth Argyle by seven goals to two. Bolton have also made progress in the Milk Cup after overcoming Oldham Athletic in the first round on a 6-5 aggregate.

IMPORTANT NOTICE

Following the gross misconduct of a number of individuals who crossed the pitch when we played Lincoln City, the Referee has reported the Club to the Football Association on a pitch invasion by spectators. The consequences of this behaviour by HOME spectators are far reaching. It is possible, following the Football Association inquiry, that the Club may be instructed to fence parts of the terrace at pitch level. Such action may well force the Club to implement price increases to cover unnecessary costs.

Spectators are also reminded that any misconduct will result in the Club banning offenders from the ground.

CLUB COMMENT

New Sponsors for Family Stand

Today we welcome the 'Doncaster Star' as first-time sponsors of our Family Stand.

Relations with our local 'Doncaster Star' daily, and for that matter it's predecessor, could not be better and the new sponsorship they are now undertaking, with the emphasis on The Family, and family entertainment, is of special significance particularly at this time when families are under economic pressure.

Over the next two seasons, which is the initial period of their sponsorship, many new innovations may be expected at Belle Vue and all Rovers supporters should watch for the opportunity to participate in them — to their personal advantage!

We take this opportunity to also extend our thanks and appreciation to Barker & Wigfall Ltd of Doncaster for their valuable sponsorship of the Family Stand during seasons 1982/83 and 1983/84.

The 'Concord Centre' for the Handicapped

Doncaster Rovers are proud to have been associated with the Doncaster Lions Club in their sponsoring of the above project for the benefit of Doncaster's 'Handicapped in Action'.

The idea of an 'Action' group, and of the possibility of providing them with their own premises, was originated in 1982 by Doncaster Lions the aim being to encourage integration by the various disabled organisations in the Doncaster Metropolitan Borough.

It has been expressed many times, over the years, that a professional football club is a major asset to the town in which it is situated. Although it has to depend on support from the fans and goodwill from the players, it too is in a special position within the community to enable it to sponsor/support good works and objects like 'Handicapped in Action'.

WE NEED YOU

The last six seasons have been somewhat traumatic for the followers of the Trotters and fortunes have sunk dramatically for a side who in the past have enjoyed a fair share of success.

Wanderers were champions of the Second Division at the end of the 1977/78 season going into the First Division along with Southampton and Tottenham Hotspur. Sadly their stay among soccer's elite was short lived, and at the end of the 79/80 season they were relegated into the Second Division along with Bristol City and Derby County. Without really threatening to return to their former glory Bolton nosedived even further and it was little surprise when at the end of the 1982/83 season they were relegated into the Third Division along with Burnley and Rotherham United. Last season Wanderers finished tenth in the Third Division table with 64 points, although one aspect of their play which was surprising was their home form — losing six league games at Burnden Park.

Bolton's player/manager is John McGovern, a wily midfielder who had spells with Nottingham Forest and Derby County. John has obviously done his homework on Rovers — I spotted him at our recent Friday night game at Belle Vue against Lincoln.

The goalkeepers challenging for the first team spot at Burnden Park are Simon Farnworth and John Platt. Simon Farnworth made his break into the first team after a promising and patient apprenticeship and last season he missed only ten games. John Platt was born in Ashton-under-Lyne. Injuries robbed the one-time Oldham keeper of a regular place last season but John, who joined Bolton on a free transfer from Bury in 1983, brought some valuable experience to the side towards the back end of last season.

Defender Brian Burrows was last season's 'Player of the Year'. A cultured defender who formerly played with Everton, Brian made a terrific impression in the Third Division throughout last season when he missed only two league games. Ray Deakin is the Trotters skipper and he showed great character and determination last season when he regained his first team place after losing form in the middle of the season. Ray's former clubs include Everton and Port Vale.

Central defender Gerry McElhinney must be considered as an all round sportsman. Last season Gerry, who hails from Londonderry was a regular member of the Northern Ireland international side. He was a former Gaelic footballer and a Mid-Ulster boxing champion and he joined Bolton from Distillery in 1980 for a £25,000 fee.

BOLTON
WANDERERS

Huddersfield born Peter Valentine previously played for his home town club and since moving to Burnden Park he has become an established member of Wanderers team. Peter missed only four games last season and is regarded as 'Mr Consistency' by the Bolton fans. Neil Berry a former Scottish Youth International had only four first team appearances last season but his versatility has made him a valuable member of Bolton's squad. Youngster Jimmy Phillips has made great strides in his bid for first team recognition and made his first full appearance for Wanderers in the 1-0 home defeat at the hands of Bristol Rovers in the opening game of the new season. Mark Came is a hard tackling central defender who gave up a nine-to-five job to become a professional when he joined Wanderers from non-league Winsford United at the end of last season.

Oldham born Warren Joyce missed only one game in Wanderers midfield last season. A young all-round sportsman, Warren has played County Cricket at Colts level and was a Rugby Union schoolboy tourist. Graham Bell is a former Oldham and Preston North End midfielder who signed for Bolton from Carlisle last season on a free transfer. Another Oldham born member of Wanderers squad is Steve Thompson who made 45 appearances last season mainly from the right-hand side of midfield.

During the close season Paul Lodge joined Bolton on a free transfer from Lancashire rivals Preston North End. Paul has previously played for Everton. Striker Jeff Chandler was Bolton's only

ever-present last season and he scored 17 goals. A Republic of Ireland international, the former Blackpool player cost Bolton £40,000 when he signed from Leeds United in October 1981. Tony Caldwell set the Third Division alight when he scored five goals in Bolton's 8-1 win over Walsall last September — ironically while he was still an electrician and playing on a part-time basis.

George Oghani went to Burnden Park from non-league Hyde United. George switched from the wing to a more central striking role. Wayne Foster is a fast hard-running striker and a former England Youth player. Warrington born Simon Rudge is a diminutive striker with a lot of skill and an eye for goal and he scored nine goals in thirty eight games last season. Two operations reduced Steve Saunders' league appearances last season to just three. He is however expected to make a big impact this season and Wanderers fans have high hopes for the youngsters future.

A LOOK BACK AT THE PLAYERS & EVENTS OF THE LAST 105 YEARS
BY TOM BEARDSLEY

THE ROVERS and THE LIONS

(continued from the Millwall programme)

The tie was re-arranged for the following Thursday afternoon. There was thick fog on the Thursday morning and this helped to keep the attendance down to 7,748. One hour before the kick-off the sun broke through and the teams started the game in bright sunshine. It was a typical cup-tie with end to end action but after 33 minutes the Rovers were down to 10 men when their left back Smith (J) was sent off for a bad tackle. This only inspired the Rovers to greater effort as the 10 men began to force their Second Division visitors on to the defensive. After 65 minutes the Rovers were awarded a free kick on the edge of the Stoke penalty area because the City keeper had carried the ball too far. Mick Patterson, the Rovers centre forward ran up as if he was going to hit the ball hard towards the Stoke goal but he cleverly checked and passed the ball sideways to wing-half Fred Emery who hit the ball hard past the wrong footed keeper and into the back of the net for the winning goal. The crowd went wild with scarves and hats being flung into the air.

Amazingly this struggling Northern section team were in the last 32 of the English Cup. The 4th round draw was eagerly awaited and it caused a great deal of heartache when it was announced that the Rovers would have to make a long journey into the South to play the winners of the Millwall-Corinthians undecided 3rd round tie. After the 3rd attempt in front of a big crowd at Stamford Bridge Millwall overcame their non-league opponents.

Millwall had a reputation of cup fighting. In 1927, as a Div 3 (S) side they had reached the 6th round of the FA Cup. In round 3 they had disposed of First Division runners-up Huddersfield Town. In round 4 they had travelled to the Baseball Ground and beaten First Division Derby County and in round 5 Second Division Champions Middlesbrough were beaten 3-2 at the Den. Round 6 saw Second Division Southampton escape with a 0-0 draw in front of a Den crowd of 37,928. They went down 2-0 in the replay at the Dell.

In season 1927/28 the Lions ran away with the Championship of Div 3 (S) with the enviable record of P 42; W 30; D 5; L 7; Goals for 127; Goals against 50; Pts 65. So this was the formidable task facing manager David Menzies in his attempt to get the 'Butterscotch Men' into the 5th Round.

**Paddy McConnell, Rovers
Irish International player**

This was, in effect, Doncaster Rovers Cup Final. It was the biggest Cup game in their history. Instead of going to the recently completed Empire Stadium at Wembley the Rovers trip to the big City was to take them to Cold Blow Lane at New Cross to play the Lions at the Den. Not as romantic as Wembley but as equally looked forward to by Rovers players and fans.

Friday, 24th January, the eve of the big game in London, arrived. The Rovers players and staff left for an overnight stay in the Capital - as good as any Final thought the players as they were totally unaccustomed to this kind of treatment. The Rovers fans helped the big occasion by presenting the Rovers captain, Paddy McConnell with a horse shoe worn by the 1929 St. Leger and Derby winner Trigo, decorated in the Rovers colours. The fans cheers rang in the players ears as the train pulled out of Doncaster Station.

When the party arrived at their hotel in London they had a meal and were then taken to see a show in the West End. It was Gracie Fields starring in "The Shows' the Thing" - this was really 'up-market' treatment for the Rovers.

The best was yet to come - a stroll around London in the morning plus a trip by tube to the Houses of Parliament. Would all this excitement prove too much for the Rovers players!

Travelling in those days was a lot different than today, no motorways in 1930. It was stated how brave one party were who had set off for London at 2 a.m. in a motor charabanc. The rest of the Rovers fans went down on a special train and in small parties right up to the 10.20 a.m. train to Kings Cross, they numbered about 500. Millwall asked all the fans to come early because this tie was the only one taking place in the South East of London and a crowd of 35,000 was expected. Prices in the Den were 1/- for entry into the Ground and 2/- (10p) in the enclosure, all stand tickets had been sold.

Mr Menzies, the Rovers manager was confident that the Rovers would get a draw and take the Lions back to Belle Vue for the replay. Mr Robert Hunter, the Millwall manager was confident that his Second Division side, with home advantage, would get into round 5 although he did say that any team who could beat Stoke City deserved respect. The best known player on the Rovers side was Irish International Paddy McConnell. On Millwall's side it was Jack Cook, an ex-England centre-forward who stood 5'11" and weighed 13 stone. He had also played for Huddersfield Town, Chelsea and Everton.

The day of the much awaited match arrived and the Rovers team ran out on to the Den in front of the largest crowd any Rovers team had ever played before. 30,440 fans who had paid £1,919. The teams were - Millwall: Wilson, Pipe, Tyler, Martin, Gomm, Graham, Corkindale, Hawkins, Cook, Forsyth, Wadsworth (H). Doncaster Rovers: Tate, Buckley, Whitelaw, Gregory, Emery, Wadsworth (W), McConnell, Patterson, Smith (R), Bott.

The Rovers tore into their Second Division opponents right from the kick-off and wing half Whitelaw hit the foot of one of the Millwall posts. For much of the first half the Rovers played the most purposeful football silencing the large crowd. They couldn't score as the light Rovers forwards were bouncing off the hefty Millwall defenders like rubber balls. In the 44th minute, against the run of play, Hawkins put the Lions 1-0 up following a corner.

All the pressmen stated how unlucky the Rovers were to be losing at half-time. The second half continued where the first had finished with the Rovers taking the game to Millwall. The narrow pitch inhibited the Rovers wingers who were used to the wide open spaces of the Belle Vue pitch and the heavy pitch suited the tough Millwall defenders. After 72 minutes the Lions broke out of defence and Hawkins scored his 2nd goal with a spectacular header. This shattered the Rovers confidence and after 77 mins. they went 3-0 down to an angled shot from Corkindale. Rovers wing-half Emery shook the Millwall crossbar with a tremendous shot but the Lions completed the scoring with a goal from their winger Wadsworth in the last minute. So after such a brave run the Rovers bowed out of the 1930 FA Cup defeated by 4-0. The Lions went out in the next round defeated 4-1 by West Ham at Upton Park.

That season the Rovers & Lions both finished their League programme by gaining 39pts from 42 games. They were next to meet in Division Two in 1947/48 but sadly the Rovers and the Lions were both relegated. They had identical playing records of 9 wins, 11 draws and 22 defeats.

The Rovers gained ample revenge for that 1930 Cup defeat in 1964/65. Millwall had a fine side that season and finished runners-up in Division Four. They lost only 7 games and conceded only 45 goals but on November 28th 1964 they visited Belle Vue and the Lions' young keeper, Alex Stepney, had to pick the ball out of the net on 4 occasions, Albert Broadbent getting a hat-trick and Alick Jeffrey scoring in 4-0 victory over the Lions.

The 1904 Bolton Wanderers team that gained a double over the Rovers in our last Football League meeting. They also lost 1-0 to Man City in the final of the 1903/04 FA Cup Final at Crystal Palace.

Season 1904/05 was a disastrous one for the Rovers but a highly successful one for the Trotters. The Rovers finished bottom of Division Two and were kicked out of the League. Bolton finished runners-up behind Liverpool and were promoted to Division One. Their playing record read P 34; W 27; D 2; L 5; F 87; A 32. I find it too painful to record the Rovers record for that season, I'll let you look it up yourselves!

The first ever meeting between the Rovers and the Trotters took place on October 22nd, 1904 at Burnden Park before an 11,000 crowd. This was Boltons' 9th season on their new ground and their continuing successes and large crowds meant that the Trotters could now remove the cycle track that surrounded their pitch and concentrate on soccer and improving the facilities for their increasing number of supporters. In fact a couple of Rovers players suffered bad grazes as they slid onto the cycle track. The Rovers fought hard in this game but the Trotters extra class told and they won 2-0 with goals from Taylor and Yenson.

The return game took place at the Intake ground on December 10th 1904. The previous week the Rovers had entertained Manchester United and a near 5,000 crowd saw United luckily win 1-0. It was reported that a great many had travelled from Manchester to swell the Intake ground crowd. It was hoped that there was to be a good gate against the Trotters as many Doncaster folk would come and see last seasons FA Cup runners up.

On Saturday April 23rd, 1904 a 62,000 crowd watched Manchester City and Bolton Wanderers fight out the final of the FA Cup at Crystal Palace. City won 1-0 with a goal scored by Billy Meredith from a suspiciously offside position. The Bolton team that day were Davies, Brown, Struthers, Clifford, Greenhalgh, Freeburn, Stokes, Marsh, Yenson, White, Taylor.

Eight months later the Trotters brought eight players from the Cup Final team to play in the League game at the Intake against the Rovers. The teams that day were Rovers: T. Thorpe, J.R. Burn, A.H. Birch, T. Tomkins, M. Moralee, E. Wright, G.F. Whittaker, J. Hanson, J.H. Shinner, J.A. Gould and W.D. Law. Bolton: D. Davies, C. Ostick, R. Struthers, R. Clifford, S. Greenhalgh, R. Taylor, D. Stokes, S. Marsh, A. Shepherd, W. White and T. Wilson. A fair number of Bolton supporters made their way across the Pennines but because of the Rovers terrible record the crowd numbered only 1,827. Things were so bad that the Rovers were appealing for 400 supporters to subscribe 4 shillings each to keep the club going till the end of the season.

The match kicked off and the Trotters overwhelmed the Rovers with their superior football. A local reporters wrote, "Bolton were more nimble on their feet, more precise in their passes, more ready and accurate in their shooting and more tricky and clever in their play". Walter (Wattie) White scored a hat-trick for the Trotters and Albert Shepherd notched another in an easy 4-0 victory. This success put Bolton on top of Division Two on goal average as Liverpool did not have a game that day.

Here's hoping for a fine game this afternoon and let's hope that the Trotters don't repeat their victory of 80 years ago!

Many thanks to the staff of the Doncaster Reference Library and to Ernie Wiles for their assistance in compiling this article.

THE TROTTERS

Doncaster Rovers had to wait till 1930 before they reached the dizzy heights of the 4th round of the FA Cup against the last visitors to Belle Vue. Today's visitors have a much more illustrious past regarding both Football League and FA Cup. They have made 7 appearances in the FA Cup final, winning it on 4 occasions. They have also been regular members of Division One.

This is Bolton Wanderers first ever visit to Belle Vue under Football League auspices. The last and only time they came to Doncaster for a League game was 80 years ago in a Division Two game that took place on the Old Intake ground that was situated behind the Yorkshire Residential School for the Deaf.

We are running coaches to Brentford next Tuesday, 2nd October departing at 1.30 p.m. when the fare will be £6.00 which we will reduce if the coaches are filled. Make sure that you reserve your seat today. If you leave it too late you may be disappointed.

Two Main-Stand tickets for today's game have been won by Mr Bill Lawton of 25, Bedale Road, Scawsby, Doncaster in our Members free draw. Our cash draw prize was not claimed at the Millwall match so today's prize is worth £2.50. Listen for the

announcement at half-time and if your membership number is the lucky one, remember that you must claim within 20 minutes of the end of the match.

PROGRAMME REQUESTS! We have received requests for the following programmes if you are able to help, please contact the individuals direct. The first is from Mr Neil Slater of 6, Princes Road, Aylesbury, Bucks, HP21 7RZ for a copy of the Luton Town v Rovers programme of the match played at Kenilworth Road during the 1951/52 season. Mr Slater says that this consisted of a single sheet and he is prepared to pay any price, within reason for this. The second request is from Mr J.N. Winn of 23, Glenthorn Road, Bexhill-on-Sea, East Sussex, TN39 3QH who wants the programme of the Darlington v Rovers game played on Tuesday, 11th November, 1980 at The Feethams. He is prepared to pay £1 plus postage for this.

Notes for your Diary - Our York Road Branch will be holding a Darts Pairs Competition for members of the Supporters Club at The York Bar Club on Monday, 22nd October 1984 commencing at 7.30 p.m. All members are invited to take part in this friendly but competitive event. Entries can be accepted on the night but obviously in order that the York Road Committee may know what numbers are likely to be involved, it would be helpful if you could let us know if you wish to take part in advance. Simply give your name to any Committee member of the Branch or leave your name at the Supporters Club Office and we will pass it on.

Will members of the Supporters Club Committee please note that the next General Committee meeting will be held at the Rovers Social Club on Wednesday, 10th October, 1984 at 7.45 p.m.

The Doncaster Star

SO YOU THINK YOU COULD BE A SOCCER REPORTER

Have you ever thought a report on your team wasn't right? Or felt you could do better when it comes to reporting Rovers? Well, here is YOUR chance to get a report into The Doncaster Star — and win £5!

Imagine you have been asked to cover the Rovers-Bolton match today in place of The Doncaster Star's regular reporter, Peter Catt. The editor has asked you to provide no more than 150 words summing up the game and it's main events . . . without neglecting the people involved. And of course you must provide the name of The Star Player, just as The Doncaster Star does after every match.

Just what you say is up to you, but the editor of The Doncaster Star will be casting his critical eye over your report and if it's good enough it will be published in the paper. Every one that's printed will win £5.

Remember the report must be crisp, clear and concise just like the ones Peter Catt writes.

Please write your report as clearly as you can and sent it with your full name and address to 'Rovers Report', c/o The Editor, The Doncaster Star, 40 Duke Street, Doncaster DN1 3EA, to arrive no later than first post, Tuesday, 2nd October.

Don't miss Peter Catt's report on Rovers in the Green 'Un tonight and in the Doncaster Star on Monday — and then watch out for your report!
